

FEMINA

 farcap hair®

La parrucca è uno splendido accessorio di moda,
di bellezza e talvolta di necessità.

Negli ultimi 30 anni è stato questo il mio obiettivo:
creare il look perfetto
interpretando i sogni ed i desideri di ognuno.

Ora si sogna in grande:
con la collezione **FEMINA**,
ho voluto mettere tutta la mia esperienza
a disposizione di chi cerca un prodotto di qualità.

Modelli pratici ed innovativi, per anticipare ogni esigenza;
dall'inconfondibile design Italiano,
progettato e disegnato da me in persona,
perfezionando ogni dettaglio.

Nella mia collezione troverete parrucche per ogni gusto,
dal capello Europeo o Indiano Remy
alla fibra sintetica di prima qualità.

..."I sogni migliori partono sempre prima dalla vostra testa."
